Accessibility Statement for the Website of Private Entities (pursuant to Article 3(1) of Law No. 4 of January 9, 2004)

Myland is committed to making its website accessible, in accordance with Law No. 4 of January 9, 2004.

This accessibility statement applies to: https://en.mylandtravels.com/.

Compliance Status

Partially compliant.

This website is partially compliant with the requirements outlined in Appendix A of the UNI CEI EN 301549 standard, due to the non-conformities listed below.

Non-accessible Content

Some of the contents listed below are not accessible due to non-compliance with Law No. 4 of January 9, 2004

Requirements	Compilance Level	Notes and Explanations
1.1.1 Non-text Content	Not supported	Provide text alternatives for all non-text content
1.2.1 Audio-only or Video-only (pre-recorded)	Not applicable	Provide transcripts for audio and descriptions for video
1.2.2 Captions (pre-recorded)	Not applicable	Provide captions for audio content in videos
1.2.3 Audio Descriptions or Alternatives	Not applicable	Provide audio descriptions or text alternatives for multimedia
1.2.4 Captions (live)	Not applicable	Provide captions for live audio content
1.2.5 Audio Description (pre-recorded)	Not applicable	Provide audio description tracks for video content
1.3.1 Info and Relationships	Supported	Ensure structure and relationships are conveyed via markup
1.3.2 Meaningful Sequence	Supported	Maintain logical order of content
1.3.3 Sensory Characteristics	Supported	Do not rely solely on shape, color, or location
1.3.4 Orientation	Supported	Do not restrict screen orientation
1.3.5 Identify Input Purpose	Supported	Define input purposes to aid auto-completion
1.4.1 Use of Color	Supported	Color must not be the only means to convey info

1.4.2 Audio Control	Not applicable	Provide means to stop or mute autoplay audio
1.4.3 Minimum Contrast	Supported	Ensure sufficient contrast between text and background
1.4.4 Resize Text	Supported	Allow text to be resized up to 200% without loss
1.4.5 Images of Text	Supported	Avoid using text in images unless essential
1.4.10 Reflow	Supported	Ensure content remains usable on small screens
1.4.11 Non-text Contrast	Supported	Provide adequate contrast for icons and graphics
1.4.12 Text Spacing	Supported	Allow text spacing adjustments without breaking layout
2.1.1 Keyboard	Supported	All features must be accessible via keyboard
2.1.2 No Keyboard Trap	Supported	Prevent trapping the user in an element
2.1.4 Character Key Shortcuts	Supported	Allow deactivation or customization of shortcuts
2.2.1 Timing Adjustable	Not applicable	Allow adjusting or disabling of time limits
2.2.2 Pause, Stop, Hide	Not applicable	Provide controls for moving content
2.3.1 Three Flashes	Supported	Do not flash content more than three times per second
2.4.1 Bypass Blocks	Supported	Provide mechanisms to skip repeated content
2.4.2 Page Titled	Partially supported	Use descriptive page titles
2.4.3 Focus Order	Supported	Maintain a logical focus sequence
2.4.4 Link Purpose (in context)	Partially supported	Links should clearly describe their purpose
2.4.5 Multiple Ways	Partially supported	Provide more than one way to access content
2.4.6 Headings and Labels	Partially supported	Use descriptive and useful labels
2.4.7 Focus Visible	Partially supported	Focus indicator must be visible
3.1.1 Language of Page	Supported	Define the primary language of the page
3.1.2 Language of Parts	Supported	Identify language changes within the content
3.2.1 On Focus	Partially supported	Do not trigger context changes on focus only
3.2.2 On Input	Partially supported	Avoid automatic context changes on input
3.2.3 Consistent Navigation	Supported	Keep navigation consistent across pages
3.2.4 Consistent Identification	Supported	Use consistent labeling for similar elements

3.3.1 Error Identification	Supported	Clearly identify input errors
3.3.2 Labels or Instructions	Supported	Provide clear guidance for form fields
3.3.3 Error Suggestions	Not supported	Offer suggestions to help correct errors
3.3.4 Error Prevention	Not supported	Confirm critical actions before submission
4.1.1 Parsing	Partially supported	Use valid and well-structured code
4.1.2 Name, Role, Value	Partially supported	Elements must include proper attributes
4.1.3 Status Messages	Partially supported	Communicate status updates to users

Terminology for Conformance Levels

The terms used to indicate the level of conformance to accessibility criteria are defined as follows:

- **Supported**: At least one method of using the functionality fully meets the criterion without known defects, or satisfies it through equivalent alternatives.
- **Partially supported**: One or more functionalities do not fully meet the criterion.
- **Not supported**: Most of the product's functionalities are not compliant with the criterion.
- **Not applicable**: The criterion is not relevant to the product's characteristics or purpose.

Statement Drafting

This accessibility statement was drafted on 04/07/2025.

The evaluation was conducted by third parties using both objective and subjective assessments (see Article 3(1) of Commission Implementing Decision EU 2018/1523).
